First Graduating Class of
Kingsway Regional
High School

Tribute

Robt S. Costill

On September 7, 1963, the dreams and expectations of the Regional Board of Education were realized when the keys to the school were officially accepted by Mr. Robert Costill, the superintendent of the Kingsway School District. This ceremony held a special significance for Mr. Costill, who had put so much of his time and effort into the culmination of this endeavor. The results of his dedicated efforts are apparent in the many facets of the activities at Kingsway. The comprehensive curriculum which is designed to fit the needs of all students and our competent faculty are evidences of Mr. Costill's prudence and foresight.

Mr. Costill is presently serving the school community in the capacity of superintendent-principal of the Kingsway School District. In this position he acts as a liaison between the faculty, the community and the board of education. Although his duties demand much of his time, he is an enthusiastic supporter of all student activities. The splendid school spirit exhibited by the students of KRHS is a direct result of his enthusiasm and attendance at sports events and other student endeavors. A familiar and respected person at Kingsway, Mr. Costill has the admiration of the student body. Our first yearbook could be dedicated to none other than the person who has worked so diligently for this school.

We, the first graduating class, have profited from his efforts and hope that many future classes will have the privilege of securing his valued counseling and advice.

This pictorial essay portrays a typical day "at the head of the Round Table" for Mr. Costill. From the moment of arrival to the time of departure, he is continually confronted with a multitude of diverse problems to solve. And solve them he does with the able assistance of his competent co-workers.

Foreword

The renaissance of knighthood begins with the publication of this initial issue of the *Lancer*. We, the staff, have accepted the gauntlet which challenged us to edit a yearbook worthy of our school. Herein we have attempted to record a graphic history of Kingsway's inaugural year. Future classes will take up the cry of excelsior and carry on the traditions begun in this first edition. As knights of yore strived after the Holy Grail, so we shall strive to reach the epitome of honor and success.

Many persons have aided us in this project and we want to particularly thank the following: Miss Blair, for her help with the art work; Miss Costello, for her invaluable editing assistance; Mr. Daniel Massimino, for his frequent trips to our school; and especially Mr. Marks, for his patient and understanding guidance.

We present to you—the 1964 *Lancer* . . .

Appreciation

Mr. Wright.

The success our class has enjoyed in the past two years certainly would not have been possible without your wisdom and guidance. Not only have you helped our class attain financial stability but also united it into a cohesive unit working together in a spirit of comradeship.

We shall always remember you with deep felt gratitude for your sincere efforts in our behalf.

Thankfully,

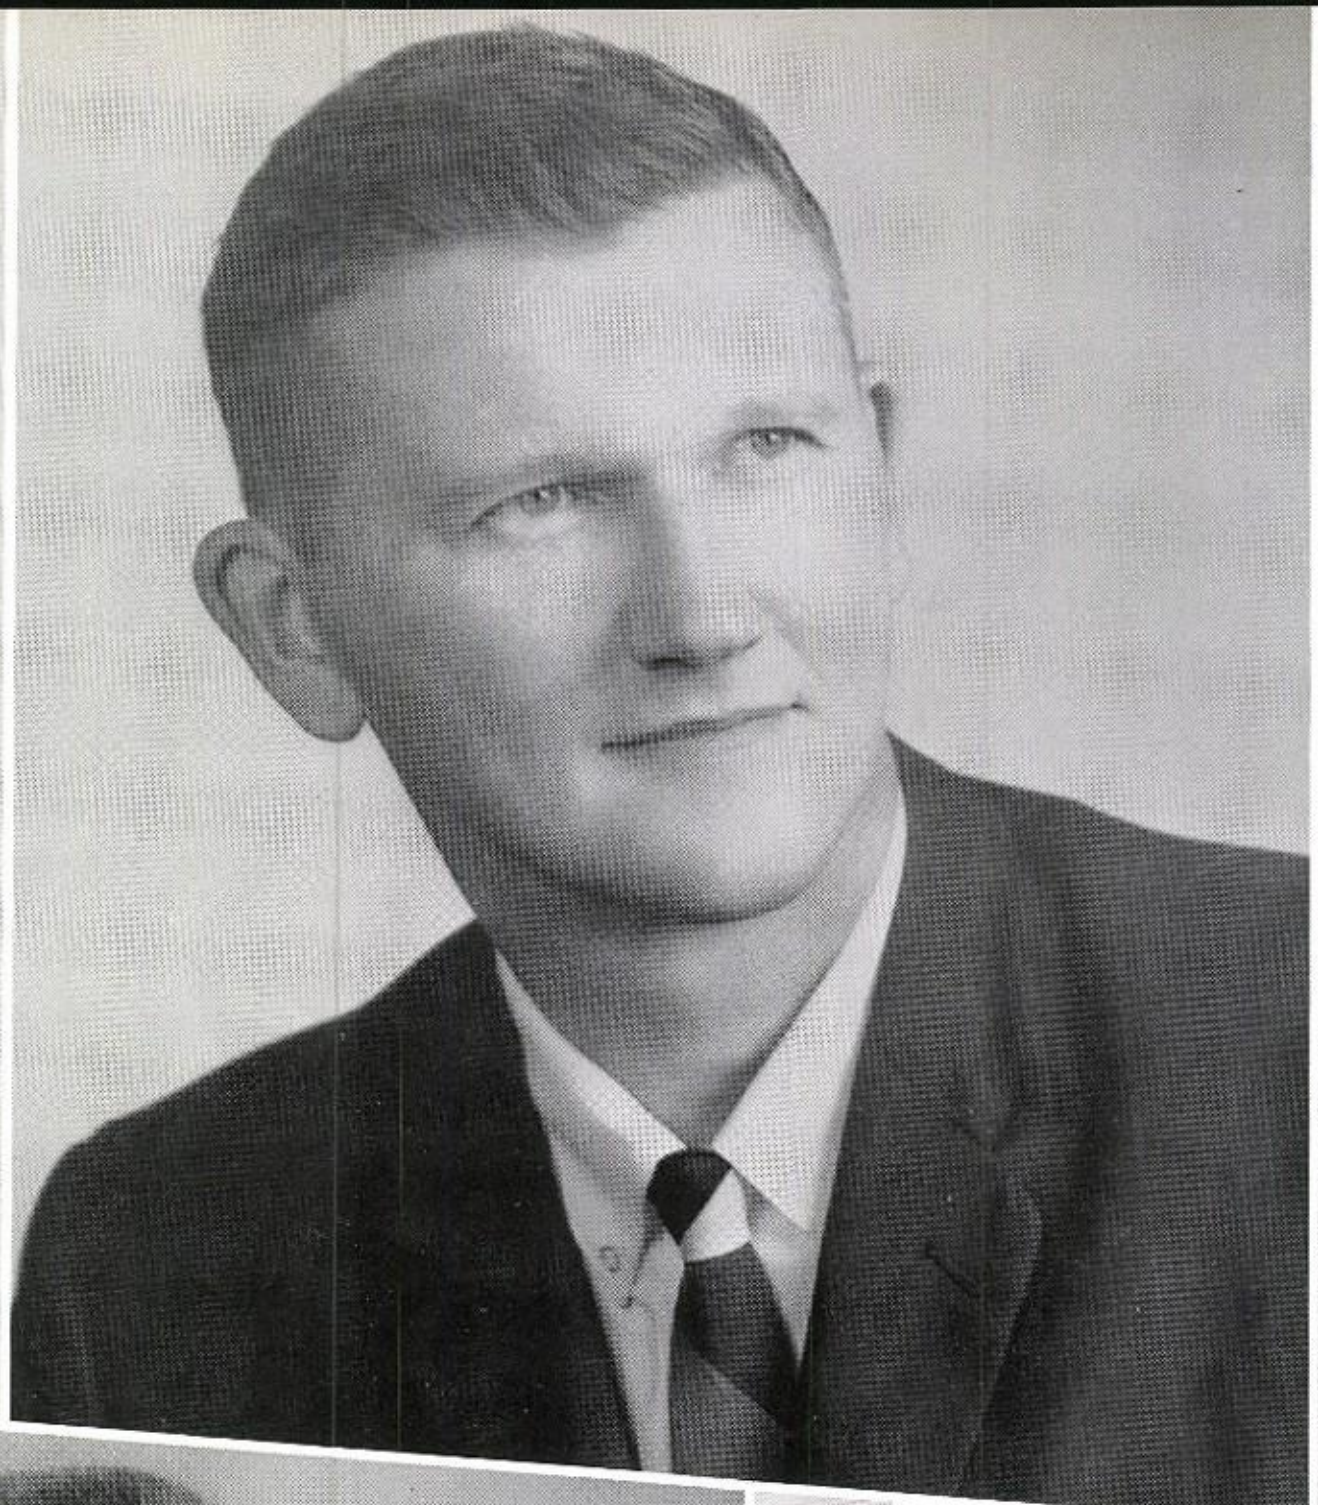
Principal's Message to the Class of 1964:

To the first graduating class of Kingsway I wish success and happiness. Both are attainable. Both demand effort.

One of the largest organizations in the world is the "Ancient Order of Intenders". There are no dues, but it costs you plenty to belong. It's easy to join. You simply start each day with the intention of accomplishing big things. Something comes along to throw you off the track. Then you decide your big day will be tomorrow—that day never comes. The members of this organization substitute intentions for initiative, apologies for action and promises for performance.

This organization is not for you. Avoid it and you will reach your goals.

Mr. Costill



Vice-Principal's Message to the Class of 1964:

As members of the first graduating class from Kingsway Regional High School you have established the first traditions of our young school. Although you were with us for a short year, we will remember you as Kingsway's first and thus far its finest class.

Each of you can recall your accomplishments with pride. Now the time has come to look forward, to work toward your goals in life, and to accept greater responsibilities.

We who remain at Kingsway will remember your achievements and contributions and will watch for the realization of your goals.

SECOND ROW: Benny Liles, Leroy Clarke, Robert Fields, Sam Licciardello, Harold Payne, David George, Tony

The Kingsway High School varsity eleven began their initial football season September twenty-eighth in a night contest at Clayton. Throughout the first three quarters stellar defensive play was the highlight of the game. The Dragons breathed fire early in the fourth quarter as Burrell hit Robinson for a score to give the Red & Black a 6-0 advantage. Minutes later Burrell again took to the air and hit Liles on the Clayton 10 from where he scampered unscratched for a six pointer. Fields added the extra point and the Dragons registered the first victory in the history of Kingsway Regional High School, 13-0.

On opening at home on Joe Bona Athletic Field the Dragons fought to a 6-6 deadlock with the Pitman Panthers. The Dragons' lone score came in the first quarter as Burrell and Robinson collaborated on a forty yard aerial which brought the ball to the Panther ten yard line. From there Tony Maneiri swept around end for a touchdown. The Panthers quickly retaliated with a 63-yard reverse over tackle to tie the game. Kingsway clearly dominated play but could not break the deadlock.

Alston's men surprised everyone the following Saturday as they traveled to Pennsville and defeated the Eagles 13-0. A superb aerial attack led to a score in the first quarter as George Burrell, connected with Ben Liles for a 36-yard pass. The defense arose to the challenge and held the Eagles at every crucial point. Late in the fourth quarter John Robinson grabbed a nineteen yard touchdown pass from Burrell to give the jubilant Dragons a 13-0 victory.

The Salem Rams would not be stopped in their bid for Tri-County honors as they knocked the Kingsway eleven from the undefeated ranks with a resounding 26-0 victory. The Rams scored on the first play from scrimmage as a result of a 70-yard pass. The Dragons could never really get started as fumbles and injuries cost them dearly. The Rams, sparked by the running of Joe Parusweski, scored again in the first period and twice more in the second half to record their fourth straight victory.

Iaccarone, Timmy Timmins, Steve Cardullo, Jimmy Burnight, Tom Roberts, Sam Rizzi, John Robinson, Tony Manieri, Isaac Jami-
on, Russ Marino, Carroll Cobbs. THIRD ROW: Raymond Bard, Andy Hoffman, Stanton Hunter, Larry Zane, James Ragonese,
ay Shivelet, Wayne Wrobel, David Beckett, Charles Ross, Bernard Waller, Tom Schoener, James May, Carl Schoenberg.

The spirited Dragons bounced back the following week as they dumped Gloucester 15-6 on the old S.H.S. gridiron. A bad Gloucester hike which sailed out of the end zone for a safety gave the Dragons their only score after a hard fought first half. In the third quarter the Dragons struck for two quick scores. Bill Skinner, playing for the injured George Burrell, hit pay-dirt on a 55-yard scoring play to Ben Liles for the Dragons' first six pointer. Timmons scored the second touchdown as he plunged for the score after Jack Hamilton had set up the touchdown with a sparkling forty yard dash.

Continuing their winning ways the fighting Dragons clobbered the undefeated, untied Middle Township Panthers 33-13. The scoring was scattered as four different players scored touchdowns. The Panthers scored twice in the final quarter.

The Delsea Regional Crusaders, sparked by star halfback Art Smith, dulled the Dragons' hopes of a Tri-County title with a 12-7 victory. The Dragons repeatedly drove deep into Delsea territory but could not take the ball in for the score. After a scoreless first half, Delsea, relying on the running of Smith, scored the first touchdown of the game in the third quarter. Quickly striking back, the Red and Black forged ahead as Russo scampered 17 yards for the score and Hamilton plunged for the extra point. Disaster descended in the form of a screen pass which floated into the arms of Smith who scampered ninety yards over the hard fighting Dragon eleven.

Bouncing back from defeat the Kingsway Dragons registered an impressive 19-0 victory over Woodstown. Jack Hamilton was the big gun for Kingsway as he scored three times during the afternoon.

In their final appearance of the season the Dragons' varsity eleven suffered a 20-0 defeat at the hand of the Tri-County Champs, Pennsgrove. Jim Devonshire, Jr. was the star of the game and accounted for most of Pennsgrove's offense. Despite their final defeat the Dragons ended their season with a log of 5 wins, 3 losses and a tie.

The Dragonettes' inaugural hockey season proved praiseworthy as they became the first Kingsway team to complete a successful season. Coach Audrey Thomas guided her girls to victories over Delsea, Salem, and Clayton.

Well balanced, hard-fighting elevens from Pitman, Pennsgrove, and Woodstown exhibited superior skill in outscoring our local lassies.

Scoring honors for the Crimson and Black were shared by Janet Magsam, Shirley Burrell and Karen Damask. Not to be overlooked was the all important goal scored by Lottie Searles that brought home a victory from Salem. Karen and Janet will return to spearhead the fighting forces of next year's team.

The defensive ability of the Thomas girls was apparent by the two shut outs registered against Clayton and Delsea. Beverly Damask and Gloria Broaddus, fullbacks, and Betsy Estilow, goal keeper, showed their mettle in withstanding many attacks by opposing forces.

The climactic point of the season was reached in the final game against Pennsville. A victory would have brought a winning season to the Dragonettes. Despite the fact that the game was continually played in front of the Pennsville cage, our girls could muster only one goal to salvage a tie from the well-played game.

Seven starters will return to form the nucleus of what should be a successful sophomore season for Kingsway High.

SO VERY DELICIOUS!

WHAT! NO PHOTO-ELECTRIC CELL?

The doors of many shops and markets swing open as you approach . . . but not the door of opportunity. This door opens only to those who knock:

"Knock and the door will open to you. For it is always the one who asks who receives and the one who searches who finds, and the one who knocks to whom the door opens."

The challenges of deadlines have been met despite blizzards, car failures, scheduling difficulties, tired (k)nights and hectic final hours.

Forsooth, noble knights, this first issue of the Kingsway LANCER is herewith concluded. 'Tis our thought that many years hence, ye may remember the golden days when knighthood blossomed at our alma mater.
